*The Academy for Mathematics, Science, Arts, and Technology  
Teacher Education Academy at Clark High  
Academy of Finance*

November 16, 2017

Dear Parent/ Guardian,

Clark High School Science Olympiad will be attending invitational in preparation for the state and national level competition. The level of competition in Nevada Science Olympiad is growing, but we are aware that with our past successes our members' biggest competition is within this very club. To help our teams gain more experience and preparation we attend invitational competitions in states that have a higher level of expectation when it comes to Science Olympiad. We are excited about the level of competition that our club will be facing prior to attending the state competition this March.

This year the black and gold teams will be attending an invitational at MIT in Cambridge, MA. This invitational will take place on January 20, 2018. Students will meet at McCarran International Airport on January 17, 2018 at 3:45am. Our flight departs Las Vegas at 5:45am. We will be staying at the Kendall Hotel located at 350 Main St. Cambridge, MA 02142. The phone number of the hotel is 617-577-1300. Breakfast will be provided but students will need to bring money for the remaining meals. Students will be returning on Southwest flight 3760. It is scheduled to arrive at 1:10PM on Sunday January 21, 2018. The total cost of this trip is \$500.00. Payments need to be made to the school banker, and receipts turned into the club treasurer.

We are very excited for this trip, and the upcoming season. If you have questions regarding the trip please contact Mrs. Miller at [erickvl@nv.ccsd.net](mailto:erickvl@nv.ccsd.net). If an emergency arises during the trip and you need to contact a coach please contact Mr. Miller at 702-401-0733

Sincerely,

James Miller

Head Coach
