November 16, 2017

Dear Parent/ Guardian,

Clark High School Science Olympiad will be attending invitational in preparation for the state and national level competition. The level of competition in Nevada Science Olympiad is growing, but we are aware that with our past successes our members biggest competition is within this very club. To help our teams gain more experience and preparation we attend invitational competitions in states that have a higher level of expectation when it comes to Science Olympiad. We are excited about the level of competition that our club will be facing prior to attending the state competition this March.

This year the blue and orange teams will be attending an invitational at Great Oaks High School in Temecula, CA. This invitational will take place on January 13, 2018. We will be leaving Clark High School at 9:30am on Thursday, January 11, 2018 and returning to Clark high School on Sunday, January 14, 2017 around 2:00pm. Students will be traveling by bus to Temecula and Staying at the Embassy Suites on 29345 Rancho California Road , Temecula, CA 92591. The phone number of the hotel is 951-676-5656. Breakfast will be provided but students will need to bring money for the remaining meals. The total cost of this trip is \$450.00. Payments need to be made to the school banker, and receipts turned into the club treasurer.

We are very excited for this trip, and the upcoming season. If you have questions regarding the trip please contact Mrs. Miller at erickvl@nv.ccsd.net. If an emergency arises during the trip and you need to contact a coach please contact Mr. Viggato at 702306-4036.

Sincerely,

James Miller

Head Coach
